

## Model Text for Monday

Begin with 'Then' as it is a time sequence word.

Describe the dragon's cave.

Then, St George rode along the cart track high into the mountains until he found the dragon's lair. It was a vast cavern with large boulders and sharp stalactites. The princess was tied to a tree in front of the cave.

Describe the princess.

Begin with an exciting time sequence word: suddenly, without warning, instantly.

Suddenly, a terrifying ROAR rang out, echoing across the mountains. There was a colossal dragon with razor sharp teeth like daggers and malicious eyes. His wing-span was huge and his jaws were immense. Its breath was like a choking mist.

Describe the dragon.
