

ANCIENT EGYPTIANS

Lesson 5 Learning objective:

To discover facts about the Ancient Egyptian pyramids.

Warm your brain up!

Tell an adult or older sibling...

What can you remember from last lesson on mummification?

How did they mummify people/animals?

What was put in the canopic jars? You can always watch the song from last week as a reminder!!

The facts you need!

- 1) Watch BBC bitesize - what remains of Ancient Egypt? Take the tour through the Ancient Egyptian remains.

<https://www.bbc.co.uk/bitesize/topics/zg87xnb/articles/zr7qy9q>

- 2) Watch this short clip all about the pyramids.

<https://www.youtube.com/watch?v=X26PeYKNI2s>

- 3) Watch BBC bitesize - parts 1-5 'Building the pyramids'

<https://www.bbc.co.uk/bitesize/clips/z849wmn> (This is a link to part 1. Look to the left hand side for parts 2-5)

- 4) Do you like powerpoints? Read through the 'Egyptian pyramid' powerpoint.

Your Creative Task: choose one of the following...

- 1) Research what would be inside a pyramid and create a model.

- 2) Complete the 'making pyramids' worksheet.

- 3) Make a 'pyramid cake' - yummy!

- 4) Write a list of 10 facts or a paragraph of writing about Ancient Egyptian remains.

Have a go at one or more of these tasks and don't forget to send us photos on twitter or email.
