

## **No to road building**

### **Save Greenfield Forest!**

- Fact:** The proposed Denby Road extension would destroy Greenfield Forest, home to rare plants and animals.
- Fact:** More roads equal more cars in our neighbourhoods.
- Fact:** The road will cost anywhere from £14 - £30 million.
- Fact:** Greenfield Forest helps reduce smog.
- Fact:** Greenfield Forest helps reduce flooding. Roads do the opposite.
- Fact:** Greenfield Forest filters the air. Extending Denby Road will pollute the air.
- Fact:** Thousands of community volunteers have spent over a decade planting trees and shrubs to restore Greenfield Forest.

**Call your Councillors and tell them that you don't support road building in Greenfield Forest!**
