

Science - Summer 2 Week 1

Fun Animal Facts

This week in Science I would like you to start by having a go at a quiz. The quiz is all about fun animal facts. I wonder how much you know. Follow the link to have a go. Remember at the end to press submit and to also look over your results to see the correct answers.

Task

Set your own animal quiz for your family to do. Think of between 10/15 questions. It could be multi choice, true or false or even a picture quiz. Can you find out some fun interesting facts whilst you are doing it?
