

THE CHURCH HILL PENTATHLON

You have been challenged to design your very own Church Hill Pentathlon! As you know, the Ancient Greek pentathlon was designed to test soldiers' skills. Your job is to devise 5 events to find the perfect pupil! Be sure to explain what you have to do and why. An example is included. Good luck!

Event Name	What do you have to do?	What skills are being tested?
<p><i>The Morning Sprint</i></p>	<p><i>Wearing your full uniform (including a coat, hat and gloves), run from the gates on Church Hill Road, up the path, through the playground, past the Y6 block and into the cloakroom carrying your book bag and PE kit. Get there before the register begins!</i></p>	<p><i>Strength Speed Agility</i></p>
