

1 Trace and write the words.

dis _____ *dis* _____

2 Write each word twice without stopping. Tick the one that is most fluent.

misunderstanding *disappointment*

3 Add mis- or dis- to make new words.

+ agree = _____

+ trust = _____

+ lead = _____

+ behave = _____

+ like = _____

+ appear = _____

4 What happens when you add mis- to spell?

Check:

- the smoothness of your handwriting at speed
- your spelling of words with *dis-* and *mis-* prefixes.

Find two examples of fluency to tick and two to improve. Rewrite them.
