Keeping your child happy and safe

- Staff will have completed a risk assessment for the site before visiting. This is a site that we have used for many years and we are familiar with it.
- The site is enclosed and secure.
- Children's rooms are all within the same block, as are the staffs' rooms. Children will know where the staff will be if they need anything during the night.
- Rooms sleep between 4-6 children in bunk beds, each room with its own bathroom (including a shower in each).
- Children will not need to bring their own bedding this year:
- Boys and girls will be in separate rooms.

Keeping your child happy and safe

- All activity leaders are first aid trained, as are many of the school staff that will attend the trip.
- During the day, each group will have a member of school staff with them so that there is a familiar face.
- Children are encouraged to push themselves to do as much of each activity as they can but are able to stop at any point.
- The kitchen cater to all dietary requirements and offer plenty of options for all children.
- There is a gift shop on site, where children are able to buy gifts, (some) sweets and drinks.

Payment

A non-refundable deposit of £50 is required by Friday 9th of October.

Deposits are to be paid through Arbor please. Unfortunately, after the Friday 9th of October, we are unable to accept any more children on the trip.

Friday 8th January 2026: £125 2nd payment

Thursday 18th March 2027: £120-£135 final payment

We are unable to confirm an exact full cost for the trip until we have finalised the numbers attending. However, we expect it to be around £295 - £310

Thank You
