Dear Y4 Parents and Carers,

Next year, your child will be offered a Bikeability Level 1 course- **free of charge**- during school time!

This course develops the cycling skills and confidence of children who can already cycle. The Bikeability Level 1 course helps children get more skilled and confident in riding their bikes in the playground and get them ready for cycling on the road. **Riders must be able to ride a bike - pedal and freewheel- to participate in this level.**

More information will follow in the new academic year however I felt it was important for you to be aware of this before the summer break so you can spend some time in the sun (hopefully) ensuring your child has the skills and equipment they need to attend. They will need a roadworthy bike without stabilisers and a helmet.

- 1 Make sure your saddle, handlebars and wheels are fixed on tight
- 2 Ensure both your front and rear brakes work properly
- 3 Run through all of your gears
- 4 Clean and oil your chain regularly
- 5 Check your tyres are pumped up

### REMEMBER YOUR

Yours faithfully,

Mrs Sudera
