

### Learning Objective

I can describe the weather in French.

### Warm up your brain...

Select 'French' and press 'go' to practise the greetings we have learnt.

<https://www.newburyparkschool.net/lotm/index.html>

Can you remember any French colours or family members?

### Key vocabulary – this is what you need to learn

Il fait beau = The weather is nice.

Il fait mauvais = The weather is bad.

Il fait chaud = It's hot.

Il fait froid = It's cold.

### Pronunciation (how to say it)...

Watch this video for fantastic pronunciation of French weather phrases – pause it and replay it to practise each phrase. Remember to focus on the key vocabulary in the box first.

## Your Task...

Try any or all of these activities to practise using and learning the weather phrases.

Weather Fortune Teller

French Weather Cards (You can print them smaller by changing your printer settings e.g. 2 pages to 1 page)

Types of Weather French Snap Activity Cut out the cards and play a snap game or you could put all the cards face down and turn two at a time to find matching pairs. You could play the matching pairs game on your own or with your family.

Weather Loop Cards with French Translation Cut out the cards into strips like shown in this screenshot. Mix them up and then try to answer the question using the correct card. They should all loop around into a rectangle shape with all the questions answered!
