Dear Parents and Carers,

We are considering re-opening the Early Bird provision but would like to know if it is feasible based on numbers. We are offering the provision on a first come first served basis, initially for those that used the service last year and our new Year 3 cohort. Any additional availability will then be opened up to the rest of the school.

In order to support the social distancing measures we have in school we are proposing that the Early Bird Club be relocated to the school hall which in turn will be cordoned off into four sections, one for each year group. Each section will contain a table with activities for that year group and children will be seated at alternate seats with activities to enjoy either alone or with a partner. All furniture, equipment and activities are either cleaned after use or disposed of daily. Miss Roberts will be supervising the groups from the front of the hall.

Pupils will be asked to arrive at via the hall fire entrance and will be sent to their classrooms at 8.30am

If you feel that you would like a place for your child, can you please complete the booking form and return to the office as soon as possible so we can ascertain if there is sufficient demand for us to re-open the Early Bird Club. If we can re-open, we will then contact you to advise you of the date we are opening from and ask that you make payment via Parentpay.

If you have any queries or would like any further information, please do not hesitate to contact me.

Kind Regards
