

Pupil Voice for Maths

"In Maths I have learned 10, 5 and 2 x tables and I practise these on Times Tables Rockstars." - Izobelle

"I know that when I find my adding tricky I can use base-10 to show the numbers, this helps me to exchange." - Maleena

"In Maths this year I have improved my drawing of a pictogram. I know that each picture can have a different value." - Jacob

"My teacher helps me spot times tables patterns with the times tables counting stick." - Lennon

"I enjoy the different things we do in Maths, and how we can use our times tables to help our bar chart scale drawing." - Luca

"I have learned to add and subtract using the formal written method and place value counters to help me." - Diya

"Maths is one of my favourite subjects. It is really helpful in life. It teaches you so many things including the four operations and algebra." - Keyanna

"I enjoy Maths because I get to learn more skills and improve on my current knowledge." - Darsh

"The things I enjoy the most about Maths are algebra, addition and multiplication. Maths is my favourite lesson." - Kylon
