

What do the children think about learning French at Church Hill C of E Junior School?

Learning French teaches us
new ways to speak and
connect with people.

Singing songs in French
helps me to learn best.

It will be useful if I
travel and can speak
the language.

We write the date in
French and answer the
register.

I enjoy it because it
sounds like a secret
language.

I enjoy listening and
repeating to help me get the
accent.
