Dear Parents/ Carers,

Re: Scooters

Through our School Travel Plan, we aim to reduce the number of pupils travelling to school by car, making the roads safer and reducing pollution in the environment.

Children in all year groups are invited to ride their scooters in to school. Pupils DO NOT require a scooter pass. Parents may want to take scooters home however if your child wishes to keep their scooter in school they must be chained to the bike rack outside the Y5 classrooms, just after Gate B. The school does not take any responsibility for loss or damage to these scooters.

We expect pupils to scoot responsibly; showing due consideration to others and therefore would appreciate you sharing the following conditions with your child:

- I will travel with due care and consideration for pedestrians and other road users
- I will push my scooter when on the school site
- I will lock my scooter up on arrival and I will not return to it until the end of the school day
- I will not interfere with anyone else's bike or scooter
- I understand that Church Hill C of E Junior School cannot be held responsible for any loss or damage to my scooter
- I understand that if I do not stay within the agreement I will no longer be able to bring my scooter to school

Yours sincerely,

Mrs Sudera
