Thursday, 26th May 2022

Dear Parent/ Carer,

What is Plastic Doing to our World?

In Monday's Get Together, the school council shared a presentation titled "What is plastic doing to our world?". As a community, we discussed the impacts of single-use plastic on marine life and encouraged each other to reduce their use in our school lunchboxes.

Following on from this, the school council are offering pupils the chance to enter a persuasive writing competition. We would like you to write a persuasive letter to our local supermarket. Your letter should ask the supermarket about their plans to reduce single use plastic in the products that they sell. The letters will be sent to Sainsbury's or Asda and the school council will judge the best ones for the competition. The letter should be no more than one side of A4 paper.

The prize for the winner of the competition will be their very own plastic free lunchbox! The closing date for the competition is Monday 13th June 2022.

If your child has any questions about the competition, please ask them to come and see Mr Lamming in 6SL.

We look forward to reading all of your amazing writing.

Kind regards,

The school councillors
