Dear Parents & Carers,

Proposed Year 6 Residential Visit

May 20th – 22nd 2024

When your child moves into Year 6 next year, they will be given the opportunity to attend a three-day residential visit with an emphasis on outdoor pursuits.

The visit is a trip of adventurous activities, giving children the chance to develop new skills and work as a team in an exciting and safe environment. It also gives them the opportunity to spend time away from home in order to build self-confidence and greater independence, and enables them to demonstrate potential that is not always seen in the classroom.

Although your child is still in Year 5, the trip will take place after SATs in Year 6 and by booking it now, the payment can be divided into manageable instalments.

Payment Schedule:

2nd March 2023: £30 (non-refundable deposit to secure your child's place)

2nd June 2023: £50

3rd November 2023: £100

15th March 2024: £85

Total: £265

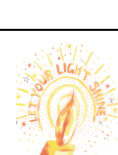

We require the initial £30 non-refundable deposit to secure your child's place no later than Thursday, 2nd March 2023. Please note, after this date we cannot add to our final numbers. If you would like your child to attend but have any payment issues please speak to us BEFORE this date.

If your child is eligible for free school meals, there will be a 50% subsidy. The total after the subsidy is **£132.50**. However, the full deposit (£30) is required in the first instance to show commitment. All subsequent payments can be made in 3 separate instalments on ParentPay of whichever amount is convenient, provided the total amount is paid by 15th March 2024.

A presentation will be given in the school hall on **Monday, 16th January** at 6.00pm to provide you with more information about the visit, and give you a chance to ask any questions. We encourage all parents to attend, even if you have older children who
