Responsibility

20th January

The moment you take responsibility for everything in your life is the moment you can change anything in your life.

What the bible says about Responsibility

Responsibility means being dependable, making good choices, and taking accountability for your actions. A responsible citizen looks out for the well being of others and understands we all have a part to play in making the world a better place. In other words, it means that you do the things you are supposed to do and accept the results of your actions.

For us at Church Hill, responsibility might look like getting ourselves ready for school in the morning, helping with specific household chores, or helping care for a pet. It may also mean that we do our homework and read the correct number of reads every week.

If we see responsibility as something joyful, we can see that we are powerful and able to respond to what needs to be done. This is great for our self esteem, and for our lives to have meaning. We have the power to contribute positively to the world!

How can you show your responsibilities?

**Don't be content to let others do things for you.
Find a way in which you can help. You will take control,
relieve somebody else and put a smile on both your faces!**

Create a routine with your family at home. Do you know everything you need to do to get yourself ready for school?

Do you know what you need to do in order to complete your reads and homework?

Can you say what you need to do to get yourself ready for bed, without being asked?

Notice when somebody does something great. Why don't you be the one to tell them and give them a boost!

When something goes wrong and things don't turn out right. What do you do? How can you make things better? This is called repair.

Talk about this with your family at home. If you've hurt someone's feelings what can you do to make it better? If you break something, how can you repair the situation? Why not make a poster or fact cards to help younger children?
