

Shine a light on...

Fairness

3rd March

Speak up and
judge fairly:
defend the
rights of the
poor and needy.
Proverbs 31:9

What the bible
says about
Fairness

Did you know that it is 'Fair Trade Fortnight' between 27th February and 12th March? This is a time when the spotlight shines on the harmful effect of the climate crisis on the future of our food. The organization 'Fairtrade' works with farmers and workers across the globe so they can improve their living standards, invest in their communities and businesses, and protect our shared environment. This year's message will focus on the climate crisis and the increasing threat it poses to some of the planet's most cherished food products, as well as the livelihoods of the farmers and agricultural workers who grow them.

The future survival of the world's most popular foods - such as bananas, cocoa, and coffee - hangs in the balance unless global economies can work with farmers to find solutions to the climate crisis. Children at Church Hill have been involved in FairTrade assemblies looking at the role we can play to ensure that everyone in the chain is treated fairly and to keep our favourite foods on supermarket shelves.
