Science
Sound
We will be studying how sounds are made and travel through the air. Children will investigate patterns in sound and look at how to alter pitch and volume of sounds.

The Digestive System
We will be describing the simple functions of the basic parts of the digestive system in humans. Children will also identify the different types of teeth in humans and their simple functions

PSHE
Oil disaster in the Gulf of Mexico, Hospice Care, Diversity: identities, Heavy weight punching, Paralympic games

History
We will study the invasion and settlement of the Anglo-Saxons, whilst evaluating sources of information.
We will study the chronology of this era and undertake some independent research.
