Online Art Lessons

Mrs Garlick, one of our Church Hill teachers, is streaming a live online art lesson at 2.00pm weekdays. These are great fun for both children and adults and can be completed using general art equipment found in most homes. Mrs Garlick begins by giving some background information about an artist/techniques and then gives a comprehensive step by step guide to how to re-create a super piece of art work. This is streamed via a private Facebook group. This is a specialist group that Mrs Garlick has set up only for the purposes of streaming this live lesson and is no way connected to any of her personal account information. If you are interested in taking part in this, please can an adult request access. Here are the details:
